Dear Parents of Students in Grades 3 -5:

Below is a list of important testing dates for students in grades three through five. This list includes the dates for both the Partnership for Assessment of Readiness for College and Careers (PARCC) as well as the New Jersey Student Learning Assessment – Science (NJSLA-S) for Grade 5.

Grade 3	April 24, 25, & 27, 2018 – PARCC ELA May 2, 3, 4 & 7, 2108 PARCC Math
Grade 4	April 19, 20, & 23, 2018 – PARCC ELA May 2, 3, 4 & 7, 2108 PARCC Math
Grade 5	April 16-18, 2018 PARCC ELA May 8-11, 2018 – PARCC Math May 22 & 23, 2018 - NJSLA-S

It is very important for students to be on time and present at school during testing periods. Please do not schedule any medical appointments or other events for testing days. Make-Up Testing will be administered as necessary within the testing window.

We encourage our students not to be nervous about testing, but to come to school rested and ready to do their best! Each testing unit should last approximately one hour and students will then resume their regular school day schedule. Additional information regarding standardized testing will be sent home shortly.

Yours truly,

Sheila A. Buck
